Chiltern's Celebrations Keep on Coming!

Hot on the heels of our Golden Anniversary Year celebrations, including the Fete (that made almost £3 000 profit) - we find we have even more to celebrate...because our **results across the school are the highest ever:**

The progress across all cohorts from last year is strong and all gaps are either closing, meeting Nationals or significantly exceeding Nationals. What a wonderful group of children and staff we have! Especially with almost 16% SEN, 40% of pupils joining our school after EYFS or KS1 and 35% of pupils not speaking English at home. Well done to all pupils, staff and families.
